

**TIMBER INDUSTRY DEVELOPMENT DIVISION
REPORT ON EXPORT OF WOOD PRODUCTS, MAY 2010**

SUMMARY

Ghana's wood products exports triggered a sharp increase in revenue during the first five months of the year 2010. Ghana realised **Euro 11,229,707** from the export of **33,225 cubic metres** of wood products in May 2010.

The corresponding figures for the same period in 2009 were **Euro 9,317,842 and 33,448 cubic metres** showing an increase of **20.52 per cent** in value and a decrease of almost **1 per cent** in volume respectively.

The increase in revenue can be attributed to a faster-than-expected growth in the world economy after the worst economic crunch since the Great Depression (source: IMF ON WORLD ECONOMY APRIL 28, 2010).

Of the total value of **Euro 55,443,410** for Jan-May 2010, Primary products (Poles and Billet) accounted for **Euro 3,445,651** as compared to **Euro 6,261,825** from the total value of **Euro 50,380,014** in Jan-May 2009.

Tertiary products registered **Euro 3,938,553** in Jan-May 2010 and **Euro 3,341,110** in Jan-May 2009. Secondary products fetched a total of **Euro 48,059,206** in Jan-May 2010 and **Euro 40,777,079** in Jan-May 2009 respectively.

On Direction of Trade, **Africa** recorded **Euro 21,956,724 and 80,136 cubic metres (39.60% and 48.01 %)** in value and volume of total wood exports for Jan-May 2010.

Europe accounted for **Euro 16,854,991 and 34,761 cubic metres (30.40% and 20.83 %)** in value and volume respectively of total wood exports for Jan-May 2010. Key markets included Italy, France, Germany, The United Kingdom, Belgium, Spain, Ireland and Holland.

The emerging markets in Asia/Far East: India, Malaysia, Taiwan, China, Singapore and Thailand together contributed **Euro 8,205,577 (14.80%)** to the total of wood export value in Jan-May 2010.

India continues to be the leading importer of **Teak Poles, Billet and Teak Lumber (AD)**.

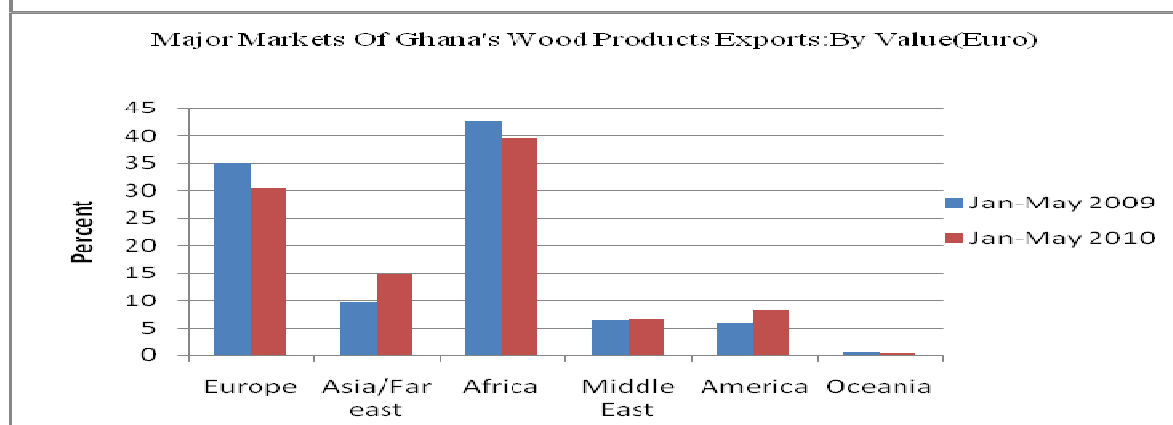

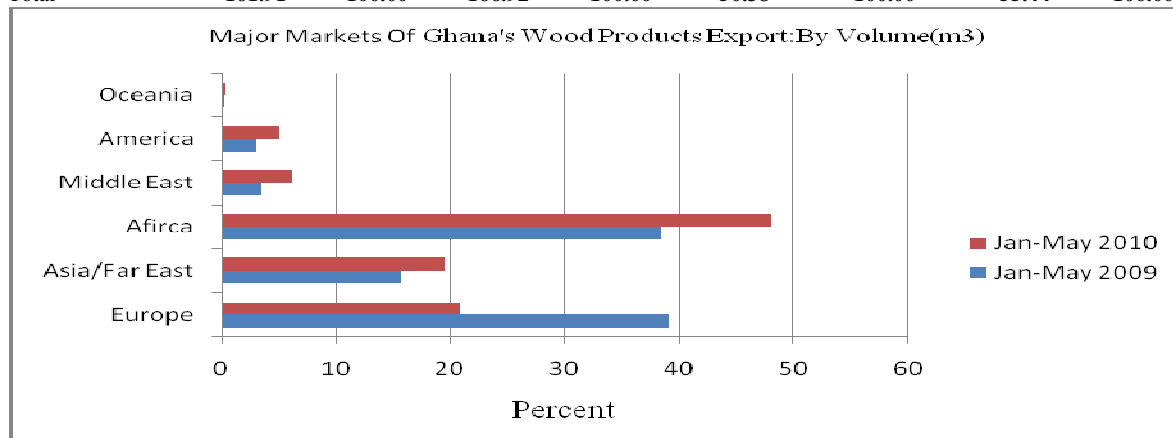

The US accounted for **8.23% and 5.13%** of the total export value and volume respectively of Ghana's wood export for Jan-May 2010 as compared to **5.97% and 3.04 %** in Jan-May 2009. That market has recorded revenue increases in terms of wood imports from Ghana.

The ECOWAS market (mainly Nigeria, Senegal, Niger, Gambia, Mali, Benin, Burkina Faso and Togo) absorbed **Euro 19,521,415 (88.91%)** of Africa's **Euro 21,956,724** wood imports from Ghana in Jan-May 2010. Plywood and Air dried Lumber (Ofram / Ceiba Species) continue to interest the Nigeria and Niger markets.

The Middle East countries, notably Saudi Arabia, Lebanon, United Arab Emirate and Israel together contributed **Euro 3,641,312 (6.57%)** to the total export value for Jan-May 2010.
